ATLAS MARITIMUS:

OR A

SEA-ATLAS.

THe whole Maſs of Waters which maketh up one part of this terreſtrial Globe may be conveniently divided into four parts : 1. The *orth Sea* or *Mar del Noort*, comprehending all thoſe waters which from the *Pole-Artick* even to the Equator do waſh the ſhores of *Europe*, *Africa* and *America* : 2 The *Ethiopian* Sea, which from the Æquinoctial line Southerly waſhing the ſhores of *Ethiopia* on the Eaſt, and the Coaſts of *America* on the Weſt, runneth with unknown bounds towards the *Antarick* Pole : 3. The *Indian* Sea hath on the Weſt the Oriental parts of *Africa* on the North the South Coaſts of *Aſia*, and circumvironing the *Eaſt Indian* Iſlands as far as *Ladronas* hath its South parts not yet diſcovered. 4. The South Sea or *Mar del zur* runneth along the Weſtern ſhores of *America* on one ſide, is contiguate with the *Indian* on the other, but hath yet found no limits towards either Pole.

(**Britain.**) The Coaſts of Great *Britain* and *Ireland* firſt diſcover themſelves in this Northern diviſion, the firſt whereof is eſteemed the Metropolitan Iſland of the World, and hath many leſſer Iſlands attending, as *Shepey*, *Wight*, *Silly*, *Angleſey*, *Man*, *Lewis*, *Hebrides*, the

Orkway, *Shotland*, and *Færo*, and hath many brave Rivers and Ports, whereof *London* ſeated on the *Thames* hath the chiefeſt note, the other on the Eaſt ſide are *Harwich*, *Yarmouth*, *Lin*, *Boſton*, *Kingſton upon Hull*, *Newcaſtle*, *Edenburgh*, and *Dundee*; on the South are *Dover*, *Chicheſter*, *Portſmouth*, *Weymouth*, *Plimouth* and *Dartmouth*; on the Weſt are *Briſtol*, *Pembrooke*, *Cheſter*, *Liverpoole*, and *Carliſle*.

(**Ireland.**) On the Coaſts of *Ireland* are theſe principal places bordering on the Sea, *Knocfurgus*, *Dublin*, *Waterford*, *Kingſale*, *Limrick*, and *Galloway*.

(**Iſeland.**) Hence more Northerly lyeth *Iſeland*, firſt diſcovered by one *Naddoca* a Pyrat, driven by Tempeſt on the ſhores of this Country, now in poſſeſſion of the *Daniſh* King. Ports moſt frequented are *Strom*, *Warloſwick*, *Keblewick*, *Buſland*, &c.

(**Nova Zembla.**) To the Eaſtward hereof is *Nova Zembla*, betwixt which and *Ruſſia* are the Streights of *Vaigatz*, through which ſo many Navigators have in vain attempted to find a paſſage into *Scythia*, and *China*, and now is only found to be a deep Bay.

(**Ruſſia.**) The moſt frequented parts of *Ruſſia* are *Petzora Reca*, the Iſle of *Colgoyn*, whence neer *Cape Candenoes* is the entrance into the white Sea or Bay of St. *Nicholas*, which Mr. *Richard Chancelour*, in the *Richard Bonadventure*, firſt diſcovered, and ſetled a Trade with the *Muſcovite* at St. *Nicholas*, but Saint *Michaels*, or *Archangel*, is the chiefeſt place of Trade.
